MSL Travel makes every effort in quoting you the CORRECT FARE and TAXES/SURCHARGES/ACF. Our staff can make errors overlooking the peak season surcharge, the weekend travel surcharge, incorrect booking class etc, and some taxes & surcharge. In view of this we seek your understanding & cooperation in ensuring the full settlement of the Correct Fare and Taxes/Surcharges/ACF.

There are also various "last minute" changes to the fares and taxes/surcharges which makes it very difficult to give any firm commitment that the fare and taxes/surcharges will stay. You only enter into a contract with an airline or a service provider if you make a full payment and all your tickets & travel documents are issued.
